

**Lights, camera, action!**  
**Roll out the red carpet for Hollywood vibes at the Eiffel Tower's  
summer terrace.**

**From 20 July to 23 September 2018, the Eiffel Tower's first floor terrace is paying homage to the silver screen.**

It was announced back in April: the Eiffel Tower is paying tribute to the silver screen in its 2018 programming. Hot on the heels of “Special Effects: on location at the Eiffel Tower!”, now it's the summer terrace's turn to join the cast.

**A chance to chill out with a rooftop ambience...**

In this second event dedicated to the silver screen, visitors to the Eiffel Tower will be able to enjoy a space with the feel of a Parisian rooftop, with a verdant decor composed of Mediterranean plants (palm trees, olive trees, bay trees, etc.), designer garden furniture, and XXL ottomans.

Once you're sitting comfortably, you can sit back and relax as you enjoy some clips from films starring the Eiffel Tower. Then it's time for the clapperboard photocall and some movie star poses.

### **Enjoy a drink with unbeatable views of Paris**

As the temperature rises for summer, a bar serving refreshments is a welcome addition. It will serve drinks and snacks from its location at the centre of the terrace, including artisan ice cream (€5 for two scoops), Eskimo pie, cold drinks, and granita, as well as popcorn, waffles, and other sweet treats.

Plenty to help you enjoy those sweet summer nights in the magical setting of the Eiffel tower.
